### **BANK SHOT BASKETBALL WOMEN'S COLLEGE BASKETBALL TIMING RULES**

Since the 2015-2016 season, women's college basketball games are played using four 10-minute quarters, with a 15-minute halftime. For Bank Shot Basketball game purposes, you will divide the Action deck into seven roughly equal stacks. Select one of the stacks to represent half of a quarter (5 minutes) and add or subtract cards equal to the PACE ratings of each team. Take cards from one of the other stacks to increase the cards in the selected stack.

Each team has 4 time outs available. No more than 3 time outs carry over to the second half. Each team is given 1 time out each over time period. Any time outs not used in regulation carry over to over time.

### **BANK SHOT BASKETBALL WOMEN'S COLLEGE BASKETBALL FOUL RULES**

Team fouls reset to zero at the end of each quarter. After the fourth team foul in each quarter, the opponent reaches the bonus and shoots two free throws beginning with the fifth foul and each subsequent foul.

All other BANK SHOT BASKETBALL game rules remain the same.
